Celebrating over 30 years of community service

SEPT 2016

Thrift Store Open

Congrats to Pamela Rayburn, new manager and Debbie Staufenbiel, assistant manager for a successful opening of the newly renovated Thrift Store.

Many hands played a big part in this huge project: Pamela and Debbie spear-headed the project with the help of Jean, Karen Spink, Pat Moore, Dave Keller, Butch and many others. Your help was priceless.

Tom and Pat Bourgeois not only contributed financially but worked on the shelving, lighting and other construction efforts. Tom Palasky (aka Assistant Public Works Director of Arnold and our bicycle repair guy) worked many hours on the electrical needs. KUDOS!
